## JUST NOW DRUGS!

Just now will be a good time to try our service. The spring overhauling will find you in need of drugs and we want to supply them. House cleaning will be easier if you use plenty of borax and Star Cleaner. Results will be far more satisfactory if you follow the cleaning with a liberal use of insecticides and disinfectants. We have everything needed and all will be fresh, pure and reliable.

It will be a pleasure to give information or to quote prices.
